P.O. Box 8382  
Greenville, NC 27835

Dear Mr. Martin,

On behalf of our students, faculty, and staff, let me extend our deepest appreciation for your recent donation of check up / tune up for (4) computers to our 2009 Annual Auction. On March 6, 2009 items will be auctioned off to help raise money for Oakwood's operating budget. These monies help provide items in our operating budget that are necessary for our School's continued success.

The Oakwood School is intricately tied to its surrounding communities. With a strong focus on community service, our students begin serving the community as early as kindergarten. Our youngest students have ties with area nursing homes, our first grade was recently elected Volunteer of the Year for the Ronald McDonald House, and our Middle School students volunteer at the JOY Soup Kitchen and for Head Start. With your support of our operating budget, we are able to continue teaching students to reach out and make a difference in the world around them.

Thank you again for supporting The Oakwood School. Best wishes to you and your family for a wonderful year.
